News from the Head Teacher

Our Ysgol Cynfran family is deeply saddened to hear of the passing of one of our much-loved parents. The Conway-Williams family have been part of our Cynfran family for many years, and our thoughts and heartfelt condolences are with them during this incredibly difficult time. Amy was a wonderful support to the school and always gave so generously of her time. Many of us still remember the fascinating lessons she delivered about her work as a midwife. She touched the lives of so many within our community and will be greatly missed. We know she was a dear friend to many of you, and we send our love and support to all who knew her. At times like these, we are reminded how important kindness, friendship and community are. Amy embodied all of those things. Thank you to everyone who continues to support one another so thoughtfully.

Other School News

Ziggy the Fish!

Amidst everything, the children have enjoyed welcoming a new member of Ysgol Cynfran. We are very grateful for the kind donation of a fish tank, which also came with our newest member of the school family – Ziggy the fish! The children are already enjoying learning how to care for him, and we may be looking for a holiday fish sitter in the near future!

Snacks

All children have the opportunity to enjoy a snack during both the morning and afternoon. Some children become quite hungry between meals, which can make it difficult to concentrate, so we encourage them to have something if needed. We kindly ask that snacks are healthy choices such as fruit, vegetables, yoghurt or cheese. Please avoid crisps, biscuits and chocolate.

Ice Lollies

With the warmer weather arriving, we have reintroduced ice lollies as an occasional treat for the children at the end of the day. I have encouraged the children to enjoy these just once a week to help manage expectations at home! We also try to make sure children sit together in small groups away from others when they are having them.

Kind regards

Beth Hughes

Class News

Dosbarth Dulas Meithrin: have been watering our seeds in the greenhouse and watching them start to grow! We have also been learning about wildflowers!

Dosbarth Dulas: have been retelling and writing the story of Handa's Surprise. We enjoyed a workshop from eco Wales all about wild flowers and have been able to identify lots of the flowers in our very own wild flower garden!

Dosbarth Betws: are making great progress with their swimming. Today we talked about Sir David Attenborough as he celebrates his 100th birthday.

Dosbarth Dolwen: following on from their work with Mrs Yates last week, the class have been completing their rules posters. As part of our Senedd group, we have started planting and decorating planters, as well as sowing seeds.

Dosbarth Marian: have been writing persuasive adverts in literacy. They have also had fun playing rounders in PE.

Dosbarth Elian: started preparing for our Welsh assembly and researching famous Welsh people. We continued learning about Flotsam and looked at the story in more detail. We converted improper fractions to mixed number fractions in maths.
