News from the Head Teacher

This Week

Bonjour, Hola, Hallo, Cześć, Ciao! Happy European Day of Languages to you all! We've ended the week with a lovely day learning about different European countries. The children have been trying out different languages and learning about a range of cultures.

Play Development with Ffit Conwy

We had another visit from the play development team this week. They'll be joining us every Tuesday to support playtimes. They are helping us secure grant funding to develop our outdoor play resources and encourage more creative play. The children had a lovely time and were all incredibly helpful when it came to tidying up the resources at the end of the session. I wonder if they're quite as helpful at tidying up after themselves at home?

Sponsored Walk - Reminder

Our wonderful PTFA are organising a Sponsored Walk after school on Tuesday 6th October. Sponsor forms have been sent home and should be returned to school by Thursday 1st October so that we can gauge interest and make the necessary arrangements. Please remember that all children taking part must be accompanied by an adult. Thank you to the PTFA for organising this event and for their continued support of the school.

Macmillan Coffee Morning

A huge thank you to Mrs Yates for organising this year's cake sale to raise money for Macmillan. Thank you as well to the volunteers, everyone who baked, donated, attended and supported the event, and to the staff who couldn't resist buying a few treats too! Together, we raised £90.

E-Safety

Harmful online content continues to be a regular feature in news headlines, particularly when it comes to keeping children safe online.

There are lots of resources available for parents and carers through Hwb.

Sometimes the amount of information available can feel a little overwhelming, so if you would like any additional support or advice, please don't hesitate to get in touch. You can find the Hwb online safety hub here: [Keeping safe online - Hwb](#)

There is a dedicated section for parents and carers covering a range of topics.

Generative AI is appearing more frequently in children's online lives too, and there is information and guidance available on this as well.

Nasal Flu Vaccinations

The vaccination team will visit school to offer the NHS flu vaccine on 11th November 2026. Mrs Gregory has already sent out an email with further information and a link to provide consent. We understand that not all children are able to have the vaccine, but it would be helpful if you could still complete the form even if you do not wish your child to receive it. This helps to avoid any unnecessary follow-up letters or phone calls. If you missed the email, please get in touch and we'll send the information out again. We'll also send reminders nearer the time, but please feel free to ignore these if you have already completed the form.

Thank you all.

Have a lovely weekend and happy Friday!

Mrs Beth Hughes

Class News

Dosbarth Dulas: have been enjoying the story of the Gruffalo and even listened to it in Welsh in our Welsh assembly! We enjoyed celebrating European Day of Languages and learned how to count to 5 in French!

Dosbarth Betws: have created a Wanted poster for the Gruffalo using lots of interesting adjectives. In Numeracy, we have continued using our addition strategies by counting on using a number line.

Dosbarth Dolwen: have been learning about the Death Penny from the Great War this week as well as participating in the European Day of Languages.

Dosbarth Marian: have been working hard on their WW1 theme. This week we were very lucky to be able to see first hand a Death Penny which was kindly brought in by Mrs Brough which had been presented in remembrance of a family member all those years ago.

Dosbarth Elian: have been learning about the Death Penny and its significance during WW1. They were very lucky this week to have the opportunity to see and hold a real Death Penny too!
