News from the Head Teacher

This week, our Year 6 group headed off for their transition week at their various new high schools. We missed them! We hope they all had a wonderful time and are feeling ready for September. We are looking forward to celebrating the end of their primary school journey over the next few weeks, but we are also sad that this chapter is coming to an end. They are a wonderful group of children whom we have very much enjoyed teaching.

Dosbarth Marian had a great time on their trip to the Festival of Play at Llandrillo College. They returned with some lovely goody bags. We also received an email from the organisers afterwards praising the children for their excellent behaviour. Da iawn, Dosbarth Marian!

We also welcomed our new Nursery pupils on Thursday. They enjoyed playing in their new classroom, and we would like to extend a warm welcome to our new families.

Summer Fair – Update

The Summer Fair will be held on Thursday 9th July. There has been a slight change to some of the activities. Unfortunately, we are now unable to have a bouncy castle on site due to new restrictions. Instead, the team at the LCRA have kindly offered to share their games equipment, so we will have a variety of activities taking place on the field to keep the children entertained.

Reminder -

Thursday 9th July – Wear your own clothes and bring a cake for the cake stall. If you have any donations for raffle prizes, we would be very grateful. Also, don't forget to bring your miniature garden entries to school.

After-School Childcare

We have had a positive response to our appeal to keep the after-school provision open. So far, 15 sessions per week have been booked for September, which is still below what is needed. However, they have agreed to trial opening on Mondays, Tuesdays, and Wednesdays until the October half-term. This is a “use it or lose it” service, so if you would like it to remain open, please book in advance and keep in touch with them.

Conwy Music Co-operative

The link to book music lessons for September is now open:

[Conwy Music Co-operative | A New Vision for Music Provision in Conwy](#). There is grant funding available for children who are eligible for Free School Meals. (This applies to families who receive qualifying benefits and does not include the universal free school meal offer in Wales.) The school will need to apply for these grants before the end of the year, so if you think your child may be eligible, please get in touch.

Kind regards, Beth Hughes

Dosbarth Dolwen: enjoyed going on the bike track again this week. They also enjoyed their transition morning in Dosbarth Marian.

Dosbarth Marian: had a fantastic trip to Llandrillo College las week for the Festival of Play where they had the opportunity to learn about different careers in computing.

Dosbarth Elian: this week we have been busy preparing for transition. Most children spent most of the week in their various secondary schools. Some were excited, some were nervous. We are looking forward to hearing how it went. We also began preparing for our leaver's service and deciding on some songs to sing.
