

Friday 9th January 2026

News from the Head Teacher -Blwyddyn Newydd Dda! Happy New Year to you all.

I hope you all had a lovely break. We are definitely enjoying getting back into a good routine away from the fridge! We have been watching the weather closely and doing our best to stay open. Keeping everyone safe is our priority, and I really appreciate your flexibility and support during this time.

Coats and Jumpers

We do our best to ensure children wear their coats and jumpers when they are outside playing. Outdoor play is very important for children's development and wellbeing, so we aim to get outside even when the weather is a little wet. Please make sure your child has appropriate layers for the weather and that all items are clearly labelled. When children are running around, they can get very warm and may remove layers while playing. If items are labelled, we are able to reunite them with their owners more easily. We currently have a stack of unnamed school uniform in our lost property. You are very welcome to come and have a look if you think an item of clothing may belong to your child.

Coughs, Colds and Attendance

There are many bugs, coughs and colds around at this time of year, and inevitably children become unwell at different times. I understand that messages from school can sometimes feel mixed, as we encourage good attendance. Whilst good attendance is important, it is equally important to keep our community safe by keeping children at home when they are unwell. Many children may be a little bunged up or have small coughs at this time of year and we understand that. However, please keep your child at home if they have been sick, have a temperature, or are really not themselves at all. We just ask that you keep in touch with us to report the reason for the absence. If you are unsure, please just get in touch. As a school, we follow guidance from Public Health Wales. The document we use can be found here [Exclusion Period for Common Infections \(July 2025\)](#)

Are you interested in using Welsh at home?

Clwb Cwtsh is an initiative by Mudiad Meithrin. It is a short, free and informal Welsh language taster programme designed for complete beginners. It focuses on supporting parents and carers to use basic Welsh with young children at home. Parents-to-be and extended family members are also very welcome. Sessions are fun and relaxed, using songs and games to learn simple words and phrases. During the Spring Term, the course will include eight sessions, with a break for half term. Both online and face-to-face sessions are available. Locally, face-to-face sessions will be held in Llandudno and Colwyn Bay, beginning on **19/01/26**. If you are interested in attending online or face-to-face sessions, please email clwbcwtsh@meithrin.cymru. A flyer with further details and session times will be attached to the email with this newsletter.

Have a lovely weekend everyone.

Kind regards. Mrs Hughes

Class News

Dosbarth Dulas Meithrin: we've settled back into our routine and have been enjoying winter stories. Dosbarth Dulas: we have made a start on our new topic 'Winter Adventures' and have been enjoying being polar explorers in our role play area!

Dosbarth Betws: have made a great start to the new term, despite the cold weather. Lots of fun with our painting and setting our goals.

Dosbarth Dolwen: have been busy revising phonics this week as well as thinking about their wishes for 2026. We are working once again with Techniquet and are part of the spring/summer pen pal project. All the pupil voted on their first choice of role models with fascinating STEM jobs and got their most popular choice of a Farm Veterinary Surgeon.

Dosbarth Marian: have been learning about the Menai Strait fault line, and they enjoyed using Lego to create a model of the fault line. In Maths, they have been working on the multiplication grid method.

Dosbarth Elian: This week we have been busy getting back into our routine. We enjoyed learning about negative numbers In maths, which fitted well with the cold weather. We spent Wednesday afternoon choosing from a variety of activities to finish off our Disaster Disaster topic. These included learning about the fault line in Menai Bridge, creating it with lego, becoming volcano investigators, creating fault line abstract art, making Top Trumps cards.

Marc Thomas – North East Wales Events Officer.

A vibrant poster for 'Creative Workshops' featuring a red and yellow scalloped border. The title 'CREATIVE WORKSHOPS' is in large, colorful letters, with 'TOGETHER' in a black circle. The poster lists dates: January 31st, February 14th, 21st, 28th, and March 7th. It also mentions 'FREE TOASTIES & DRINKS' and 'DROP IN SESSIONS'. The background is decorated with colorful paint splashes and cartoon characters like a green frog, a yellow cat, and a smiling bread character. At the bottom, it says 'Y Fron Community Centre, Colwyn Bay, LL29 8TN' and includes logos for 'Wŷ a Sennu gan Uyweddwrth y DU' and 'Funded by UK Government'.
