News from the Head Teacher

We have had another exciting week at school. Dosbarth Marian and Elian enjoyed a fantastic workshop all about robots, while Year 3 took part in a very loud but very fun drumming workshop. Dosbarth Betws completed their final swimming session, our cricket team participated in a tournament, and Dosbarth Marian delivered a wonderful Welsh assembly. Their pronunciation was excellent and they really were outstanding. There is certainly lots of news to share this week.

Glyndwr Road

This week, our Governing Body received a complaint via our Local Authority representative regarding unsafe parking on Glyndwr Road during the school run. We understand that this is a busy time and that not everyone is able to walk to school. However, we kindly ask that all parents and carers park safely and in accordance with the Highway Code. Some of our children are not always aware of road safety and may try to cross between parked cars, so please take extra care.

Telephone System Disruption

The Local Authority will be carrying out work on the phone lines on Tuesday 9th June between 10:00am and 12:00pm. There may be intermittent disruptions during this time.

Dosbarth Dulas Meithrin: have practising our cutting skills and identifying the animal noises ready for our trip to Manorafon next week.

Dosbarth Dulas: have been busy practising for sports day, learning to read and write the 'oa' sound and practising our number bonds to 10 and 20.

Dosbarth Betws: had a great time at their final swim session this week. They are now busy practising for their sports day. Year 3 got involved and really enjoyed their Brazilian drumming session with Jonny this week. We made so much noise that the whole school could hear us.

Dosbarth Dolwen: have been busy practising for Sport's Day. Blwyddyn 3 enjoyed a music workshop this week.

Dosbarth Marian: really enjoyed their workshop on Electricity and had fun making a circuit. They have also been busy practising for Sports Day.

Dosbarth Elian: have enjoyed an electronics workshop with Daniel from Bangor University. Everyone enjoyed using snap circuits and meeting a real life robot. This related to our new class read of Wild Robot. We looked at features of playscripts, in preparation for writing our own sports centre script.
