News from Deputy Head

The weather has brightened up for a few days this week and many of the children have been enjoying riding on the bike track. All teaching staff have had health and safety training and we have some of our own bikes at school. We therefore will try to get the children out on the track whenever we can.

We have been asked to share some information from the NHS about Measles: We are asking parents to be alert for symptoms of measles and to not send their children to school if they are unvaccinated and have any of the symptoms below:

- cold-like symptoms like a runny nose, sneezing and cough
- red, sore, watery eyes
- high temperature (fever)
- rash that usually starts on the head/neck before spreading down the body
- small white spots inside cheeks and the back of lips

For further information please visit Measles, Mumps and Rubella (MMR) - Public Health Wales (nhs.wales) and Measles - NHS (www.nhs.uk)

Meals in school are now free for every primary school pupil in Wales. But did you know that for every pupil that is granted eligibility for Free School Meals, Conwy County Borough Council receive funding from the Welsh Government which enables the School to provide additional support to those children. You may also be eligible for grant funding to support you to buy school uniform. So, if you have an entitlement, please apply. If you are receipt of Universal Credit or another benefit and you wish to apply, please complete the Free School Meals Application

Enjoy the weekend

Cynfran Café ...

At lunchtime this week when tidying up, Nancy & Abi were finishing lunch and were chatting with Janet. We came up with the idea 💡 that the dining hall was like a 'Cynfran Cafe' - so they have made an amazing Cafe sign to showcase our new summer menu. A-maz-ing!
