### News from the Head Teacher

In true Welsh style, we have spent the week talking about the weather. It has been a gorgeous few days, ending with us all getting a bit soggy in today's downpour. Let's hope the sunshine makes another appearance for the Bank Holiday.

### Reminder: Jumpers

Our lost property pile has grown quite a bit this week. Children often take off their jumpers when they get warm and leave them behind wherever they are at that time, so it really helps if everything is clearly labelled so we can return items easily. Please ask at the gate if you would like to come in and have a look through the lost property.

### Swimming

Mr Emberton's class enjoyed their first swim this week. The children were very well behaved and had a great time. Thank you to the PTFA, who have kindly pledged £1000 towards the cost of hiring the pool and instructors. This support makes a huge difference and we are very grateful for all the effort that goes into raising these funds.

### Fish Tank

Do you have an old fish tank that you are no longer using? Some of the children have shared how much they would love to have fish in school. We are looking for something simple and easy to care for. If you or someone you know is having a clear out, we would be very happy to give a fish tank a new home.

### Eye Tests

Several parents have mentioned how helpful routine eye tests have been for their children. It might be worth considering booking one if you have not done so recently.

### Bank Holiday

Remember that this weekend is the Early May Bank Holiday, so school will be closed on Monday, open Tuesday 5<sup>th</sup> May.

### Parents' Evening

Thank you to everyone who attended the Dosbarth Elian parents' evening this week. It was lovely to see you all. We really appreciate your support and have enjoyed catching up with you all over the past couple of weeks.

Have a lovely Bank Holiday weekend together.

Kind regards,  
Beth Hughes

## Class News

**Dosbarth Dulas Meithrin:** have enjoyed planting runner beans this week and put them in our greenhouse. We must remember to water them every day!

**Dosbarth Dulas:** have been busy with our monster phonics assessments, practising green froggy sounds and re-telling the story of Handa's surprise.

**Dosbarth Betws:** took part in a live online session this week looking at wild flowers in our environment. We were all surprised by how many different species we were able to find on our school grounds.

**Dosbarth Dolwen:** have enjoyed going on the bike track this week. They have also enjoyed making and playing their own multiplication games with their friends.

**Dosbarth Marian:** have enjoyed creative writing inspired by The Flotsam book. In Maths, they have been developing their understanding of division and learning to read and work with time.

**Dosbarth Elian:** have been reading the wordless book Flotsam. We investigated trays and guessed who the items belonged to. We then listened to some back stories of the different people and wrote our own back stories. We have been subtracting and multiplying fractions in maths and showed our knowledge for remembering how to add fractions.
