

Friday 3rd December – Week 13

News from the Headteacher

This week has been very exciting for Upper Juniors who have had the first five of their ten intense swimming sessions. Mrs Hughes, Mrs Lewis and Mrs Marjot have all been very pleased with the effort, and the Leisure staff remarked on Bl. 5 being “the quietest class ever”! Da iawn Bl. 6 & 5. Please remember they need their costumes and towels again next week too. Diolch.

The buildings and grounds continue to be filled with busy and happy children, and again, we are seeing greater resilience in the way your children are working, learning and playing. This will all be shared with you next week. Rest assured, if we ever have any worries or concerns, we will contact you immediately. Class teachers and Mrs Williams (our Additional Learning Needs Co-ordinator) monitors this every day.

Parent Meetings are taking place next week and you will have seen an invitation to join on certain days and times. Please register by Sunday night.

We have also sent out a quick note to register for the CHRISTMAS DINNER on Thursday, December 9. The menu looks absolutely amazing:

Roast turkey, Yorkshire Puds, sausages, roast potato, Duchesse potato, carrots, peas, sprouts, stuffing, cranberry sauce. Puddings of mincemeat slice, fruit cake or a double chocolate brownie. It promises to be a feast fit for a King or Queen! Please complete the short form confirming your child’s place.

After School Club will shortly be moving over to the Mobile classroom. This is now a self-sufficient standalone facility, with heating, toilets, a microwave and fridge, as well as computers and many other games and resources. Many thanks to Angela, our resident artist who has put the finishing touches to the walls with some fun art work.

After our recent spike in positive Covid cases, we have seen many children return after their enforced isolation. We continue to be very vigilant. We want all your children to be here and be safe. Ventilation continues to be as important as frequent hand washing. The weather has been mixed this week, and children and staff haven’t had to revert to coats in classes too often. As we mentioned this week, we are not allowed to distribute cards brought in from children to share. This is a contamination risk to you all. Nobody wants to have to isolate over Christmas. Diolch.

Christmas Panto is not that far away now too. Please register on ParentPay to avoid disappointment.

Have a lovely weekend, We are now in December and the school and I’m sure your homes are slowly being made over in the theme of Christmas!

Regards,
Mr Rogers

Important Dates

Nov 29 to Dec 10
B5 and B6 Intensive
Swimming Lessons

Class News

Dosbarth Meithrin – This week we have enjoyed lots of Christmas craft - We have made Christmas crackers, glittery decorations using pinecones, Christmas cards using stencils and snowmen using tissue paper! We also had a fantastic time, working together as a team in our Elves workshop wrapping presents!

DD – This week we have continued working on activities based on the story of Aladdin. We also enjoyed helping Mrs Evans set up Mrs Claus’ Christmas Kitchen.

B1 – Have been writing lists to Santa

B2 - We enjoyed painting our Christmas rocks

B3 - Have enjoyed creating rainbows in a science experiment using felt tips and water!

B4 - Got in the festive spirit and talked about what advent means and started getting excited about decorating the classroom!

B5 - Have enjoyed swimming and made periscopes.

B6 - This week year 6 have been busy with their intensive swimming lessons. They have also completed villain descriptions and created a villain’s lair.
