News from Deputy Head

Dydd Gwyl Dewi hapus! We've had a lovely day celebrating St David's Day. The children have enjoyed a variety of wonderful activities from making daffodils to eating Welsh cakes.

A huge thank you to our PTFA for donating £1000 to the school. We will be using this money for educational resources for your children and to help towards the cost of swimming lessons at the leisure centre.

The PTFA are also planning an Easter event that will be held on Saturday 16th March. Please see the poster on the notice board below for further details. There will be an Easter hunt starting from outside the school at a cost of £1. Tickets will be available to buy from ParentPay early next week.

We are exploring the possibility of opening a holiday club but before we look into it further, we need to know how many of you would be interested in using a club like this. Please help us by completing this short survey

Have a great weekend,

Class News

Dosbarth Dulas: have enjoyed talking about their families and sharing family photos. We have also started to use the outdoor area now that the weather is being kinder. We might come home a little bit muddy but that is a sign that we've been having good fun! We welcomed Miss Sweetman into our class this week.

Dosbarth Y Llan: did a fantastic job of presenting their assembly this week.

Dosbarth Betws: enjoyed making Welsh cakes as part of our St. David's Day celebrations.

Dosbarth Dolwen: have enjoyed swimming and sending each other secret messages with Morse Code this week. On Friday they made Welsh Rarebit for Dydd Gwyl Dewi.

Dosbarth Marian: enjoyed a wonderful walk around Llysfyaen last week, we talked about how we could give back to the community, and litter picked our local area including the park. This week, as part of our mantle topic we have been writing CVs to become MI6 agents and in French, we have been learning numbers to 20.

Dosbarth Elian: have been busy continuing with our MI6 training. We have also been learning about Paris in Welsh. We had a lovely morning in Bryn Elian for some transition work. We enjoyed looking at food webs and the different organisms you can find in a pile of dead leaves.
