### News from the Head Teacher

I have been incredibly proud of our children this week. They have been fantastic. The children who have been out on trips have represented the school perfectly. They showed a positive attitude, determination and great resilience. The children who spent the week in school have also been amazing. I have witnessed first-hand how kind and considerate our children are towards each other. I honestly feel very lucky to work with such wonderful children.

### Pentrellyncymer

Some of our Year 3 and 4 children had a wonderful time in Pentre this week. The staff even managed to get some sleep, which was a massive bonus! A huge thank you to all the staff involved for making the trip possible. This is the youngest group we have ever taken on an overnight stay, and it was a huge success. The staff at the centre were so complimentary about our pupils. They didn't want them to leave!

### Football Tournament

Our older pupils gave a fantastic performance in the football tournament this week. They made it all the way to the final, beating some very well-established teams from much larger schools. Although they were narrowly beaten at the end, reaching the final was an incredible achievement. Well done to the team and thank you to Mrs Lewis for organising.

### Online Safety

I have recently spoken with a few parents about some concerning content appearing on children's devices. For example, some **YouTUBE Shorts** appear visually suitable for children, using bright, colourful graphics and familiar characters. However, when listened to more carefully, the language and underlying content can be highly inappropriate. Similarly, some parents have reported unsuitable content appearing on **Roblox**. I strongly encourage all parents to regularly check their child's device use, including the type of content they are accessing and the settings on apps and games. I have included a link to helpful guidance from the Welsh Government: [In the know - Hwb](#).

### Reminder - Easter Fair

The PTFA will be holding their Easter Fair on Thursday 26th March after school. There will be bingo, an Easter trail and a range of stalls. If you are able to donate a raffle prize, we would be very grateful.

To help us prepare, we will be holding a non-uniform day:  
26th March - Please bring a cake to sell at the fair (no nuts, please)  
Thank you in advance for your continued support.

### Conwy Ffit

With the Easter holidays fast approaching, Conwy Ffit have a range of sessions planned. Please follow the link provided to book [School Holiday Activities](#)

### End of Term

Next Friday, children will be allowed to bring in quiet board games as a reward for their hard work this term. These sessions provide valuable opportunities for social interaction and help children develop important skills while playing together.

Have a lovely weekend everyone.  
Kind regards, Beth Hughes

## Class News

**Dosbarth Dulas Meithrin:** have been busy with our Easter crafts!

**Dosbarth Dulas:** have been learning to read o'clock and half past and exploring with floating and sinking. We have also enjoyed the story of 'the Colour Monster' and designing our own monsters.

**Dosbarth Betws:** some of the older children in Dosbarth Betws went on their residential trip to Pentrellyncymer this week. The children were superb and they all had a great experience and enjoyed every minute. We have been working hard this week and had some fun for Red Nose Day.

**Dosbarth Dolwen:** the pupils from Dosbarth Dolwen, Dosbarth Marian and Dosbarth Betws were truly amazing at Pentre this week. Back in school the children from Dosbarth Dolwen have been working on life size and scaled drawings of sharks.

**Dosbarth Marian:** have really enjoyed taking their artwork outside this week, where they created some impressive castles. They are also enjoying their class reading book, The Song of the Dolphin Boy, and have been exploring Scottish myths and legends.

**Dosbarth Elian:** this week we have been adding fractions in maths. We carried out an underwater sound investigation, writing a conclusion and an evaluation. We began making our documentaries about a sea creature of our choice and watched some of Deadly 60 and Blue Planet, for some inspiration and to help us know what Rita is expecting from us.
