### News from Deputy Head

Dosbarth Betws enjoyed another swimming session this week. Mrs Johnson was really pleased with how well they are all doing. Da iawn Dosbarth Betws.

Mrs Lewis secured a grant from Tesco for £1000 to buy sports equipment. Most of it will be used for PE lessons but there are resources that have been set aside for the children to enjoy at break times. Thank you to Mrs Lewis for her hard work in securing the grant. Also, a special thank you to our sports captains, Will and Cerys, who worked hard to order the equipment we needed and organised the new resources. Da iawn to you all.

Don't forget the sports event that will be taking place in the LCRA on Tuesday. Find them on Facebook for more details.

We have huge concerns about safety in our car park, especially during school run times. We have a duty to ensure that health and safety regulations are followed on the school site. For this reason, from next Monday, the gates will be locked from 8.30 - 9.30 in the morning, from 11am - 1pm during the day and from 2.30 - 3.30 after school. If you need to access the car park for an agreed reason, you will need to call the office. If you have a child in Dosbarth Dulas and struggle with the steps, please speak to us so we can find a way to support you. Thank you for your support with this matter.

Earlier this week, the Welsh Government launched Teulu Cymru, a new brand which brings its main childcare and parenting campaigns under one roof. Teulu Cymru or "Family of Wales," is here for parents, carers and families of children aged 0-18, pointing them in the right direction for different Welsh Government sources of practical and financial support.

From parenting tips and expert development advice, to help with childcare costs - Teulu makes it a little easier to access this support in one place.
