### News from the Head Teacher

We've had another busy week in school with lots of visitors. Reverend Gareth came to speak to the children about the importance of kindness and looking after one another. We also welcomed Caryl Hughes from the Welsh Parliament, who taught the children all about the Senedd and how it works.

Year 3 enjoyed a brilliant trumpet lesson too and I even joined in with the playing!

On Tuesday, staff from Ffit Conwy worked with us to support active playtimes, and on Thursday our teaching staff did a fantastic job sharing the independent learning work we've been developing this year with visiting staff from other schools. We are very proud of the work taking place across the school.

### Sponsored Walk

The PTFA are organising a sponsored walk on Sunday 7th June, starting from school at 10.30am. Sponsor forms and more information about the route will be sent home early next week. We hope lots of families will be able to join us.

### Illness

From time to time, children do become unwell either at home or during the school day. We know it can sometimes feel difficult to balance attendance with guidance around illness, especially when children seem much better in themselves. As a school, we follow Public Health Wales guidance when advising whether children should attend school, as this helps us keep everyone in our school community as healthy as possible. Here is the guidance we follow as a school:

### Technology

Technology is now such an important part of everyday life, and children are often incredibly confident when using digital devices. Developing digital skills is important for their future, but we also know that online communication can sometimes lead to misunderstandings or worries for children. Recently, we have had a few friendship issues linked to WhatsApp groups and messaging outside of school. Written messages can easily be misunderstood, particularly by younger children, and this can sometimes leave them feeling upset or anxious about coming into school the next day.

While we are unable to monitor children's use of social media outside school, we would really appreciate your support in keeping an eye on devices, apps and group chats at home. Regular check ins and conversations about online behaviour can make a big difference in helping children stay safe and happy online.

Thank you, as always, for your continued support.

Have a lovely weekend together.

Beth Hughes

## Class News

**Dosbarth Dulas Meithrin:** have been investigating mini beasts and looking after our runner beans in the greenhouse.

**Dosbarth Dulas:** have been working hard on our tests, looking after our plants in the greenhouse and learning about the lifecycle of a bean! We also enjoyed the visit from Reverend Gareth who taught us about The Good Samaritan.

**Dosbarth Betws:** have been working hard on their testing this week. Our Year 3s had great fun in a musical session with Aled.

**Dosbarth Dolwen:** have had a visit from both Rev. Gareth and the Senedd this week. They have also started to respond to their final letter from the vet they have been writing to. Due to testing week this week, their weekly spelling test will be next week.

**Dosbarth Marian:** enjoyed their workshop on the Senedd, where they learned all about politics and the voting system. They also began their new topic on health and fitness

**Dosbarth Elian:** we started our new topic about fitness in Llysfalen. We created our front covers, completed a KWL grid on what we know and want to know and created some fitness superheroes. We have been busy completing our end of year assessments too.
